## MESSAGE:

Further to our telephone conversation this morning, I am attaching a revised set of claims. The proposed amendments are further to those entered from the June 7, 2004 response to office action.

I also wanted to point out that support claims 4 and 6 is provided at specification page 2, line 27 - page 3, line 6, and page 5, lines 3-7. Obviously, use of multiple factors means that the regressions are multiple regressions.
